

RETURN POLICY

If an item needs to be returned, for whatever reason, please send e-mail to obtain an RMA number - returns without an RMA number will not be accepted.

You may return most new items within 14 days of delivery **in original packing only** with all shipped components. Items sent not in original packing or damaged will not be accepted. Items that are returned within 14 days of delivery are subject to 15% restocking fee. There are no refunds or credits for items beyond the 14 days, but they are supported by manufacturer's warranty.

Any refused item is also a subject of 15% restocking fee. If the product is under warranty, we will issue a RMA# for the return of your product, or defective part for repair or replacement.
